

SAMPLE PRODUCTS COVERED UNDER THE BEVERAGE CONTAINER RECYCLING AND LITTER REDUCTION ACT

CRV Product Listing

Updated as of September 30, 2010

The following list is a random sampling of products for which the CalRecycle, Division of Recycling has made "IN" and/or "OUT" determinations on products, which may be subject to California's Beverage Container Recycling and Litter Reduction Act (Act). This list is not all-inclusive, and as additional beverages are brought to our attention they may be added to the list. According to the Act, excluded products are the following: milk, infant formula, distilled spirits, wine, medical food, 100% fruit juice in 46 oz. or larger containers, vegetable juice in containers above 16 ounces, beverages in any refillable containers, including multi-material pouches. For additional inquiries, please call 1-800-RECYCLE.
